

ANOTHER ONE BITES THE DUST (The Queen)

Intro : 2 cycles basse-batterie / 2 cycles avec guitare /

+ 1 cycle avec nappe : Ooh
Let's go

Steve walks warily down the street
With his brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go
Are you ready ?
Hey
Are you ready for this?
Are you hanging on the edge of your seat ?
Out of the doorway the bullets rip
To the sound of the beat
Yeah

Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust, Eh
Hey, I'm gonna get you too
Another one bites the dust

2 cycles basse avec nappe synthé à la fin

How do you think I'm going to get along
Without you when you're gone
You took me for everything that I had
And kicked me out on my own
Are you happy ?
Are you satisfied ?
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat
Look out

Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust, eh
Hey, I'm gonna get you too
Another one bites the dust

18 mesures : batterie / cochons espace :

Hey
Oh, take it
Bite the dust
bite the dust, Hey !

Hey !

Another one bites the dust
Another one bites the dust – Ow
Another one bites the dust – Hey hey
Another one bites the dust

Heeeey... (**reprise basse**)

Ooh... shoot out

There are plenty of ways that you can hurt a man
And bring him to the ground
You can beat him
You can cheat him
You can treat him bad and leave him
When he started
But I'm ready
Yes
I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip
Repeating to the sound of the beat
Oh, yeah

**Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust – Yeah
Hey, I'm gonna get you too
Another one bites the dust**

Shoot out
Eh eh...
Alright !
