

HEARTBREAK HOTEL (Elvis Presley)

Well, since my baby left me
Well, I found a new place to dwell
Well, it's down at the end of Lonely Street
At Heartbreak Hotel
Where I'll be--where I get so lonely, baby
Well, I'm so lonely
I'll be so lonely, I could die

Although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in the gloom
And be so, where they'll be so lonely, baby
Well, they're so lonely
They're so lonely, they could die

Well, the bellhop's tears keep flowin'
And the desk clerk's dressed in black
Well, they've been so long on Lonely Street
Well, they'll never, never get back
And they'll be so, where they'll be so lonely, baby
Well, they're so lonely
They'll be so lonely, they could die

Well now, if your baby leaves you
And you've got a tale to tell
Just take a walk down Lonely Street
To Heartbreak Hotel
And you will be, will be so lonely, baby
You'll be, you'll be lonely
You'll be so lonely, you could die

SOLO : une grille (un couplet/refrain)

Oh, although it's always crowded
You still can find some room
For broken-hearted lovers
To cry there in the gloom
And they'll be so, they'll be so lonely, baby
They'll be so lonely
They'll be so lonely, they could die.
