

I LOVE ROCK AND ROLL (Joan Jets)

I saw him dancin' there by the record machine
I knew he must have been about seventeen
The beat was going strong, play my favorite song
And I could tell it wouldn't be long till he's with me
Yeah me
And I could tell it wouldn't be long till he's with me
Yeah me
Singin'

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with me**

He smiles so I got up and asked for his name
but that don't matter he said it's all the same
I said can I take ya home, where we can be alone
And next we're moving on and he's with me
Yeah me
And next we're moving on and he's with me
Yeah me
Singin'

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with me**

-SOLO-

I said can I take ya home where we can be alone
Next we're moving on and he's with me
Yeah me
and we'll be moving on and singing that same old song

Yeah with me
Singin'
I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with me.

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with...**

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with...**

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with...**

**I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take your time and dance with me.**
